SCHOOL NOTES.

By Supt. W. H. Johnson.

The school attendance is good. The average daily attendance for this month is running about as high as we have had during the term.

The most blessed of human endeavors is service—the service that educates and builds, and makes this old world a better and happier place in which to live and work. Service is the spirit of the hour. It blesses him that gives and him that receives; it is the brotherhood of man in business; it is a helping hand extended unselfishly; it is bread cast upon the waters; it is a way of helping ourselves by helping each other. The best that can be said of any man is this: He served others that they might better serve themselves.—(Selected.)

The Patrons' Meeting was not very well attended Monday night. A committee was appointed at this meeting which arranged the following program for the next meeting, Monday night January 26:

3. Relation of School Board to Patron. Board represented by Elmer Stephens. Patrons represented by Dr. J. M. Phipps.

4. Round table discussion, led by the President.

5. Refreshments.

Quite often subscribers mistake the date on which their subscription expires, on account of the receipt they hold. Usually the date of the receipt does not show when the subscription expires, for the reason that the subscription dates from its beginning, and the receipt merely shows the date on which payment was made. For instance, if your subscription expired three or six months before you pay for your renewal, your payment pays for the time beginning when your subscription expired, and not from the time the receipt is issued.

Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by E. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by E. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.
